Business English: Capstone Project

Dec 13, 2024

Diana Pavliuk

has successfully completed the online Specialization

Business English Communication Skills

This Specialization is designed to teach you the English language skills needed to effectively communicate in business contexts. Throughout these courses, you will expand your knowledge of the English language by building your vocabulary and improving your ability to write and speak in English in a variety of situations, including social and professional interactions, business transactions and negotiations, meetings, telephone conversations and professional presentations. You will learn business terminology, study the global business environment, and develop your written English skills for use in business communications such as reports and emails.

Richard Moore, Daphne Mackey, and Wendy Asplin
Extension Lecturer, International & English Language Programs
University of Washington, Educational Outreach

This certificate attests to the learner's completion of an online program delivered via Coursera. It does not constitute formal enrollment at any university or entity and does not itself grant academic credit, grades, or a degree. Institutions or organizations may, at their discretion, recognize this learning toward their own programs or credentials.
