

## ENGin Volunteer Hours Verification Form

**Volunteer name:** Ilona Shcherban

**Description of work performed:**

ENGin volunteers work directly with English learners abroad to provide free, high-quality speaking practice. Volunteers are matched to one or more speaking buddies based on their preferences; they then hold virtual speaking sessions with their buddies once or twice per week for 30-60 minutes. The verified volunteer hours below include only session time and do not account for volunteer time spent on session planning or preparation. For more information, please visit [www.enginprogram.org](http://www.enginprogram.org)

**Total Volunteer hours:** 50
