Project Management: Foundations and Initiation

Project Planning and Execution

Agile Project Management

University of Colorado Boulder

Nov 4, 2024

Diana Pavliuk

has successfully completed the online Specialization

Project Management

The Project Management specialization is designed to be an introduction to the project management discipline, including the concepts, tools and techniques used in the management and leadership of projects. Key topics covered include the role of the project manager; the project team; cost, schedule and risk management; quality in projects; and the project lifecycle.

Christy Bozic
Lockheed Martin Professor of Engineering Management
University of Colorado Boulder

This certificate attests to the learner's completion of an online program delivered via Coursera. It does not constitute formal enrollment at any university or entity and does not itself grant academic credit, grades, or a degree. Institutions or organizations may, at their discretion, recognize this learning toward their own programs or credentials.
