EnglishScore

CEFR level

Compare CEFR to IELTS®\*

### At this CEFR level you:

interact fluently and spontaneously, using language flexibly and effectively for social and professional purposes, including the formulation of complex ideas and opinions which can be skilfully linked to those of other speakers;

expertly manage conversations in which you are able to address and discuss complex subjects using a variety of idiomatic expressions and complex structures to integrate subthemes, develop particular points and offer appropriate conclusions.
