

C E R T I F I C A T E

This is to certify that

Mariia Mosentsova

born on November 20, 2003

attended a series of online and on-site

Theory and Hands-On Training in Photonic Technology Applications

at the Abbe School of Photonics,
of the Friedrich Schiller University Jena, Germany
in August, 2024.

These training sessions are attributed with 3 European Credits (ECs) according
to the European Credit Transfer and Accumulation System (ECTS).

Dr. Christian Helgert
Chief Executive Officer (CEO)
Abbe School of Photonics

Dr. Dimitrios Gkiatas
Scientific Manager
Quantum Education Section

Jena, September 23rd, 2024

SUPPLEMENT TO THE CERTIFICATE

Participant's full name

Mariia Mosentsova

Awarding Institution

Abbe School of Photonics, Faculty of Physics and
Astronomy, Friedrich Schiller University Jena

Total European Credits (ECs)

3.0

Contents of the training
(online and on-site)

- (online) Remotely controlled optical lab on optical interferometry
- (online) Remotely controlled optical lab on adaptive optics
- (online) Virtual training sessions
- (on-site) Participation in the EMIMEO international summer school
- (on-site) Training in photonic quantum technology
- (on-site) Training in laser cutting
- (on-site) Training in photonic 3D printing
